

# MOUNT SERA PRIMARY

## VISION, MISSION & VALUE STATEMENT

### VISION STATEMENT

We believe that all children are individuals.

We believe that to learn is to change.

*Mutari discere est*

We will strive to provide quality education to instil a sense of personal responsibility and social consciousness.

We want to empower our learners to realize their full potential and become independent thinkers.

We will be guided by the principles of transformation, equity, redress and Ubuntu.

### MISSION STATEMENT

At Mount Sera we aim:

Maintain a high standard of education

Develop open inquiring minds

Inspire creativity and a love of learning

Promote respect and tolerance towards others

Support each learner in achieving his/her potential

Produce confident learners

Offer a wide range of relevant learning experiences in a positive caring atmosphere

Enable learners to continue their education in a variety of settings

Foster an awareness for the wider world and a sense of belonging to the global community

Encourage the development of knowledge and appreciation of the Republic of South Africa

### VALUES

At Mount Sera we teach our learners these values:

Honesty

Obedience

Perseverance

Respect
